Voting Privileges:

Voting privileges will be extended to all full-time adult education personnel and all part-time adult education practitioners. (support staff and superiors of a school district's lead adult education administrator shall not be eligible to vote)

State colleges (not applicable) and school systems not selecting this option will have all other traditional ACE membership options available to them.

How to become a District/County member:

1. Determine what level your district/county will be.
2. Send report of individuals who will be a member under your membership to ACE of Florida, Leigh Ann Clark. (In last name alpha order with full-time, part-time, support staff or superior title listed) Please list a person ACE can contact if needed.
3. Process payment to ACE of Florida. Membership becomes effective when payment is received.
4. Have each individual under your membership make a profile, if they do not already have an ACE profile. ACE of Florida receives notification when they have made a profile. ACE will make them a member in your district/county membership as long as they are listed on your report.

Everyone becomes a COABE Member after becoming an ACE Member.
